PAVILIONS P32–35

EXPO-ROOF

HERMESPLATZ

All in Wood – Where History Meets Innovation:
Created for EXPO 2000, the impressive wooden EXPO-ROOF with its four pavilions offers organizers the perfect backdrop for a wide range of event formats. Whether exhibitions, conferences, or outdoor events – your guests will enjoy a weather-protected space for unforgettable experiences. Combined with the HERMESPLATZ, it creates ideal conditions for outstanding outdoor events like driving ranges for automotive events or concerts with up to 80,000 fans.

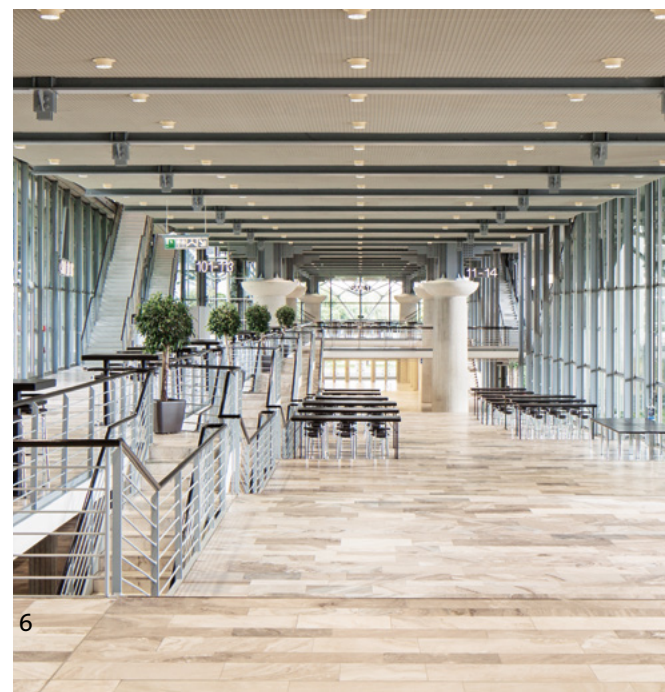

THE CONVENTION CENTER

A key feature of the exhibition venue is the CONVENTION CENTER. With over 30 rooms that can be flexibly combined, it offers ideal conditions for large-scale networking. Its direct connection to Hall 7 enables accompanying exhibition formats. The CC is accessible from both the northern and southeastern parts of the grounds. Two different light rail stops, ample parking spaces, and two 4*-hotels are all within walking distance.

FOYER

The foyer is the highlight of the premises in the CONVENTION CENTER and offers flexible usage options. The open space connects all halls of the CC and can be used in combination with additional rooms as an extended event area. Furthermore, a skywalk leads directly from the foyer to the adjacent Hall 7. In this combination, the venue offers optimal conditions for hosting conference exhibitions.

ROOM 1

Room 1 is the best proof of the CONVENTION CENTER'S high flexibility and bright, welcoming atmosphere. With an area of 1,260 m², it can accommodate up to 1,140 people. The hall can be flexibly divided if needed to suit various event formats.

ROOM 2

Equipped with a stage plus backstage area and space for audiences of up to 852, Room 2 is perfect for high-impact events. It also offers fixed rows of seats for 718 persons and can be upscaled to accommodate an additional 120. Floor-length windows provide plenty of natural light (and can be darkened as needed).

GROUND FLOOR CONF. ROOMS

Eight rooms with similar atmosphere as well as similar capacity are additionally available to you on this level.

ROOM 3

Audiences of up to 521 can be accommodated in Room 3, which offers 622 m² of space. When set up with classroom rows, seat capacity is 260. Room 3 can be partitioned off with a soundproof wall, creating two rooms of 311 m² each, for up to 275 people per room.

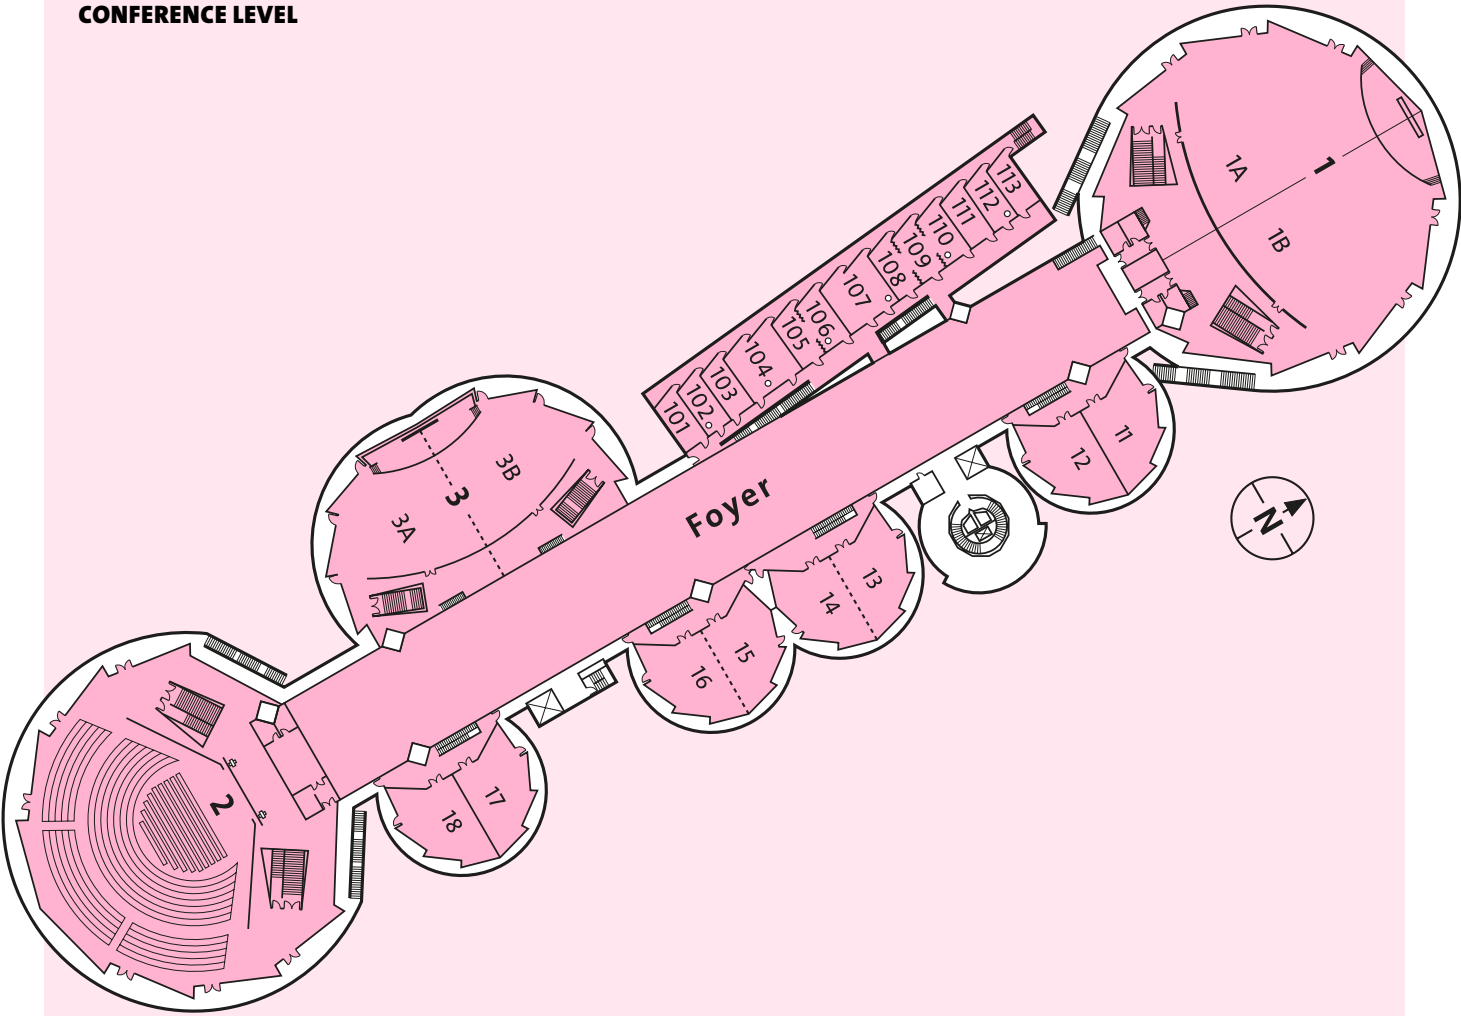

ROOMS CONFERENCE LEVEL

A variety of smaller rooms are also available at the CONVENTION CENTER, providing an ideal setting for workshops and small-scale events of all types. You can choose from 29 rooms offering 30 to 271 m² of space, for anywhere from 10 to 72 people. The rooms can also be combined off as required.

CONFERENCE AREA IN HALL 19/20

The conference area in Hall 19/20, located in the north of the exhibition center, offers up to 10 rooms ranging from 32 to 763 m². The centerpiece is the room New York, which seats over 800 participants. The restaurant FIVE CONTINENTS on ground level will cater to delegates in a contemporary and inviting atmosphere.

The conference area is directly connected to the Hall 19/20, offering the best conditions for event formats that link conferences with accompanying exhibitions.

FOYER

The Foyer – a central networking hub. Flooded with natural light, the upper-level foyer of the conference area provides direct access to the meeting rooms and is perfectly suited for networking, catering, or small-scale exhibitions.

NEW YORK

The room's modern architecture and lofty height of 9.75 m are designed to impress. Too much space for your event? New York can be divided with a mobile, soundproof partition.

SÃO PAULO

The São Paulo room is located on the upper floor and leaves nothing to be desired: natural daylight, a ceiling height of 3.55 m, and the option to divide the room.

SÃO PAULO

SYDNEY

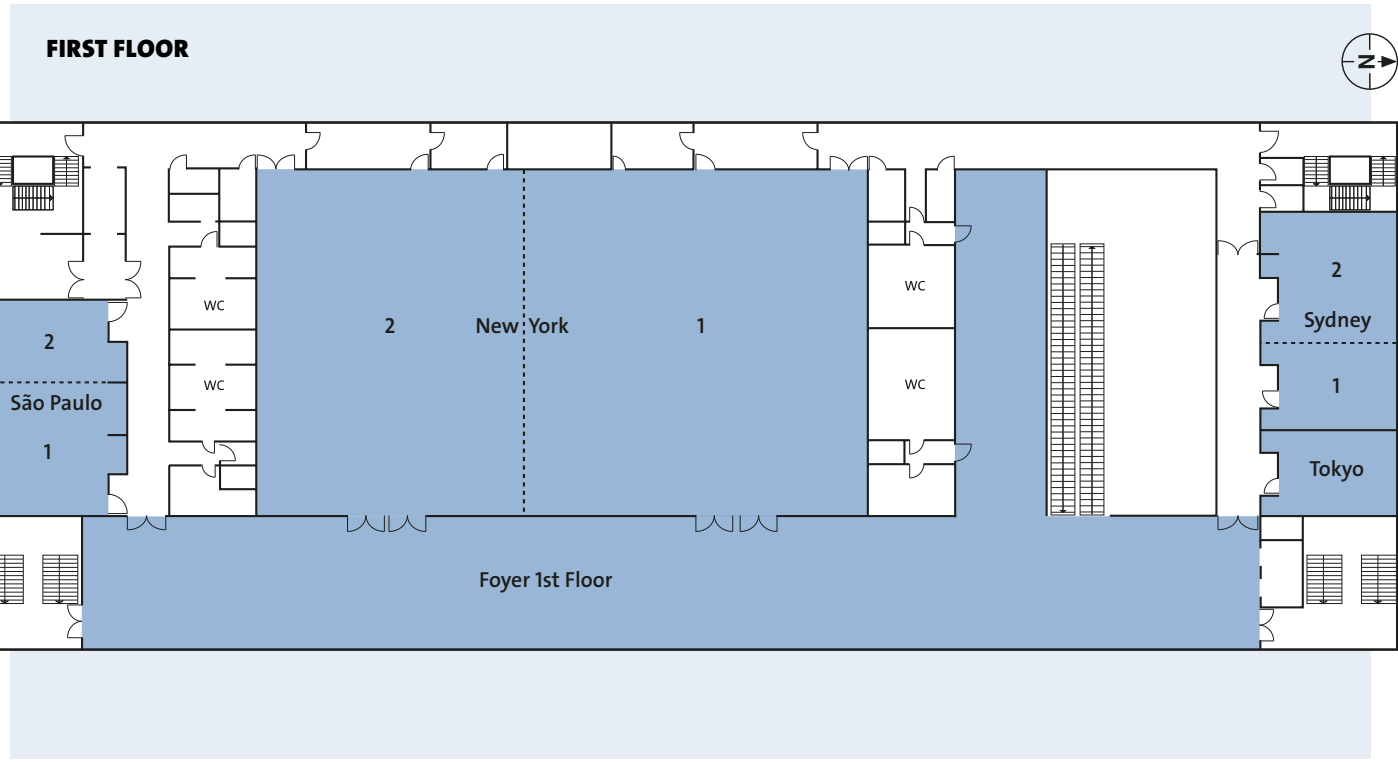

SYDNEY

The Sydney room is on the upper floor. It offers natural light and a mobile partition, and can be set up for workshops, smaller conferences or meetings.

TOKYO

The Tokyo room is directly adjacent to Sydney. This room offers natural light and is perfect for small conferences and meetings or as a VIP area, performers' dressing room, etc.
